The pre-order schedule is as follows:

\*We must have your pre-order a minimum of **three** business days prior to your event to ensure that the order can be fully ordered and ready for the event. We understand that there may be times when you need to cancel your order. To ensure that you are not charged for the order, we require that you provide us with at least **two** business days cancellation notice prior to the event.

## Day of Event Ordering

Should you wish to wait until your arrival in the suite to place your food order or to supplement your existing pre-order, please note that we do have a limited Game Day Menu available until 45 minutes prior to the conclusion of the event.

## Food and Beverage Delivery

We would be pleased to deliver your order within the 15 minute interval you specify on your order form. If no delivery time is specified on the pre-order, hot food delivery will occur during the 60 minutes period prior to the Event Start Time. We can also arrange a standard time for your orders throughout the entire season. We cannot guarantee Day of Event delivery times, however we will do our best to meet your needs.

## Suite Billing

A 15% administrative fee and applicable sales taxes will be added to all orders. An additional gratuity for the suite host/hostess is not included in the administrative fee, and is always at your discretion. To expedite payment for suite orders throughout the season, we offer credit card payment, which provides the option to charge individual hosts or the full amount to your company card. Please note that all charges are due at the time of service or at the end of the event. A completed credit card authorization form is necessary to process all orders.
