

# Event booking procedures

Deciding where to hold your Event is an important decision. Air Canada Centre can make that decision very easy for you, simply because we are the right choice for any occasion. This metropolitan setting boasts 2.5 million potential ticket buyers, and expands to 10 million outside the Greater Toronto Area, within a two-hour drive to the facility. From the 19,000 seat Arena to cheer your favorite sports team, to the 3,200 seat lower bowl Theatre setting, Air Canada Centre can accommodate most any size or type of Event with the flexibility of its multi-use facilities.

**Any questions regarding booking an Event, including rental and expense rates at Air Canada Centre, should be directed to the Event Programming Department at 416.815.5763.**

All Event booking inquiries are evaluated on a number of criteria. Among considerations are the feasibility of the Event in question and the availability of the date or dates requested. An Event inquiry does not guarantee an award of the date or the dates requested. All Event arrangements should be considered tentative until a contract has been issued and executed.
